LUND UNIVERSITY

LTH
FACULTY OF ENGINEERING

Eligibility Form - Instructions

1. Check Find exchange courses | LTH, Faculty of Engineering to find the courses of your interest.
2. Check the course admission requirements in the syllabus.
3. Check Schedule and courses | Student website LTH to make sure the courses you want to take don't clash.
   For more information check Study plan | LTH, Faculty of Engineering
4. List the courses you apply for at LTH along with the courses from your transcript/ongoing courses that you think fulfill the admission requirements of the LTH course. Indicate if the course can be found in your transcript or in your list of ongoing courses.
5. Provide direct and open access links in English to the course descriptions. This step is important. If this is not at all possible, either
   - Refer to an added page attached to your eligibility form where you paste in the relevant course description, or
   - Include the course description in the document as follows:
     a) Title of the course b) Description of the course (1-2 sentences max) c) Description of major topics covered in each course (2-3 sentences max)
6. Save the document and upload it in your SoleMove application.

Note the following:

- All documents in your application need to be in English.
- The courses you list need to be in either your transcript or your list of ongoing courses.
- If you don't have online resources, attach the description/syllabus/short summary.

Add your name.

State the number of credits equivalent to full-time studies.

Eligibility form - Example
